IN

Pestana D. João II is a 4 star resort in Alvor, ready to welcome you and be the vacation home of your dreams. Whether you choose a villa or a luxury apartment, where you can have full independence from the hotel, you have the beach, the gardens, the pools and the best vacation at hand; whether you choose to stay in the hotel, with restaurant, spa, saltwater pool and the beach just around the corner; one thing is for sure: your choice will not be a mistake. Protected by the Alvor Ria area, where many species of birds seek shelter and home.

Enjoy the panoramic sofas in the living areas on each floor, perfect for reading while looking at the sea, sheltered from the cold as well as the heat.

TIME TO FILL, TIME TO REST

At Magic Spa, all massages are tailored to your needs, combining proven techniques and organic products to give you the best possible experience.

Enjoy the sauna, the Turkish bath and the indoor pool, after using the relaxation room, and make your experience even more complete. And if you come here for your family vacation, make the most of the Kids Club, where you can leave children between 4 and 12 years of age with a hostess and know they will be well taken care of, in a room equipped with everything they may need to play.

A modern hotel room with a large bed, a desk, and a balcony with a view of the sea. The room features a large bed with a red blanket and white pillows. A desk with a television and a chair is visible in the background. A large window with red and white striped curtains provides a view of the sea. A red cylindrical lamp hangs from the ceiling. The walls are decorated with blue and white striped wallpaper. The floor is made of light-colored wood. A white semi-transparent box with text is overlaid on the left side of the image.

ROOMS

The best of your holiday here is to truly have a stay suited to your needs and choose whether or not to stay in, with the unmissable superior rooms, and incredibly large suites, their private balconies and extraordinary views over the sea; if you prefer to stay in Alvor's luxury apartments, the villas stretching along the beach, decorated in a contemporary way, are perfect for settling your family with all conveniences.

BEING ON HOLIDAYS: NOT HAVING TO COOK

RESTAURANT: with a spacious room with a lot of natural light, a very diverse buffet with international specialties and Algarvian flavor, whatever your nationality is, you will feel good and absolutely at home in this space with a generous terrace, ideal for outdoor breakfast or for long evenings to dine and talk.

BAR: there are several bars, all with similar menus, which help to add flavor to each moment spent in the hotel. The hotel bar is always open and has live music every night, plus a stage where you can count on lots of cultural animation and entertainment during the Summer.

The supporting pool bar serves drinks and ice cream and ensures that you will not have to walk but a few meters from your deck chair to cool off.

The beach bar looks like one of the stations of lifeguards immortalized by Californian beach shows. All wood, with a huge terrace, it has everything you need to spend an hour - or all day - in the sand savouring your well deserved summer rest days.
